"Remember"

Remember when "hippie" meant big in the hips,
And a "trip" involved travel in cars, planes, and ships?
And "pot" was a vessel for cooking things in,
And "hooked" was what grandmother's rug may have been?
And "fix" was a verb that meant mend or repair,
And "Be-In" meant merely existing somewhere?
When "neat" meant well-organized, tidy, and clean,
And "grass" was a ground cover, normally green?
When "groovy" meant furrowed with channels and hollows?
And "birds" were winged creatures, like robins and swallows?
When "fuzz" was a substance, real fluffy, like lint,
And "bread" came from bakeries—and not from the mint?
When "roll" meant bun, and "rock" was a stone,
And "hung-up" was something you did with a phone?
It's groovy, Man, groovy, but English it's not.
Methinks that our language is going to pot.

Dedication

Friendship is an important quality in any atmosphere, but particularly in a school atmosphere. This year we would like to honor a man for his constant friendship to the students. During the years of his service at Westmont, he has consistently been a kind and considerate teacher. In his health and gym classes, his words of wisdom frequently appear in his speech. Because we would like to return some of the friendship we have received, we dedicate the 1971 Phoenician to:

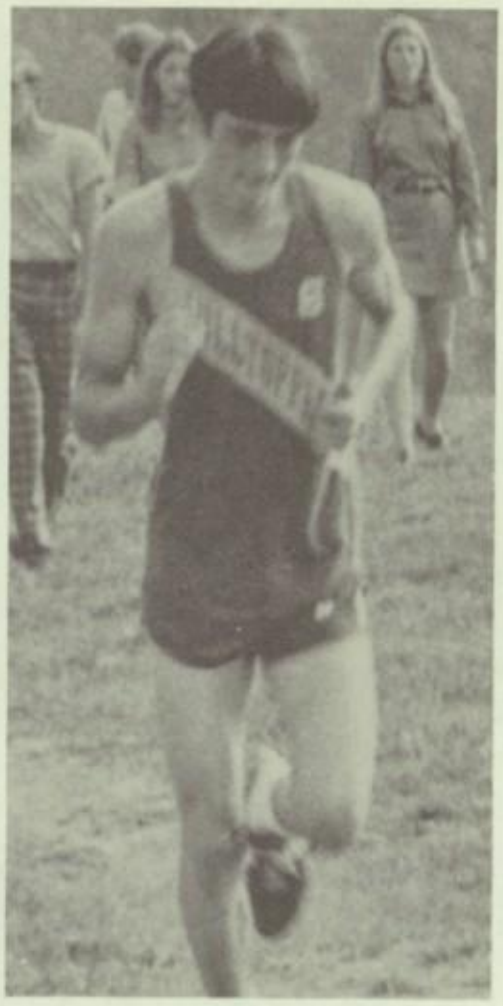
Cross Country



The 1970 Cross Country season ended too soon. After a dismal start, the long distance harriers came into their own in the last three meets, racking up first, third and second place finishes.

In a sport in which low score wins, Westy exhibited an early season tendency to roll up some alarmingly high totals before settling down in the second half of the season.

Although the team didn't end the season with a winning record, some fine individual performances highlighted the various meets.

Coach Claycomb, and the team, were disappointed by the lack of support given the sport by Westmont spectators. Mr. Claycomb pointed out at one pep rally that a cross country meet requires only twenty minutes to run, yet only a handful of students stay to watch. The effect of a big, appreciative crowd on the performance of Red and Gray athletics is well known. If Westmont's student body wants a more successful cross country team, the student body must do its share.

Pregame huddle

Although it is always more fun to win, winning isn't the major objective of a Junior Varsity team.

Junior Varsity football was developed to bridge the gap between the Junior High and the varsity squads. It is here that aspiring underclassmen get the additional training and experience necessary to produce winning varsity squads for Westmont Hilltop High School in the future years.

This year's squad recorded its only win over Somerset Area in a season abbreviated by the cancellation of the finale against Conemaugh Valley. However, Coaches Lantz and Stramanak are confident that the 1971 varsity will be much improved with the addition of the 1970 Junior Varsity performers.

Gridders earn 5-4 mark.

Westmont Hilltop's 1970 Football season was highlighted by an upset victory and a heart-breaking defeat. Enroute to a 5-4 record, the Hilltoppers pinned the only loss on Richland by a 7-0 score. Local sports writers referred to the "Super Rams" in pre-season writeups and predicted an undefeated season. The second game of the campaign ended all this as the Scarlet defense scored one of its two shutouts of the season and extended Westmont's mastery over their rivals from the other hill. The Scarlet and Gray have not been beaten by the perenial gridiron powerhouse from Richland for seven years.

The game against Mountain Conference Champions Windber Area was one of the most thrilling of the local grid season. Down 13-0 at half time, the Big Red Machine fought back gamely, scoring twice after the rest period. After the second TD, scored on a 90 yrd return of a pass interception by Bob Kerr, the Hilltoppers gambled on a two point conversion in an attempt to win. Although the attempt failed the fans applauded the "win or lose" spirit of the team.

Again this year Westmont's strong defense, a trademark of Matsko coached teams, stood out by allowing only 89 points during the nine game card.

A capable passer and receiving corps permitted the Big Red Machine to present a balanced offense, scoring nine times via the airlanes and 10 on the gound.

The future looks bright as 18 experienced players will return for the 1971 season.

GOLFERS RETAIN TITLES

As far as Westmont Hilltop is concerned, the Wheeling Trophy has found a permanent home.

The 1970 golf team returned the big silver bowl to our trophy case for the third consecutive year and the ninth time in twelve years.

The Inter-County League and District VI champs must be considered the prime contenders to repeat in 1971 since Pat Wolfe is the only senior in the top five. Juniors Dave Delozier, Jeff Hall, and Kim Kunkle and sophomore Joe O'Donnell, along with Captain Wolfe took turns capturing medalist honors as they swept past eight opponents to run their undefeated string to 33 matches.

During the past season only Ligonier, a 10-9 loser, was able to press Coach Sheldon Hunter's linksmen as they averaged 14.5 points per match.

Playing the tough Sunnehanna course like they owned it, the 1970 golf team held their opponents to less than three points in twelve of their sixteen matches.

Girls' Basketball

The girls' basketball team completed a 5 and 5 season, but the pep and enthusiasm this team showed certainly outshines their record. The girls had an unlucky start when their star player Jane Weinzierl injured her arm and was out of action for the majority of the season. Never the less the games drew crowds and the students proved that the second year of girls' basketball was a definite sucess!

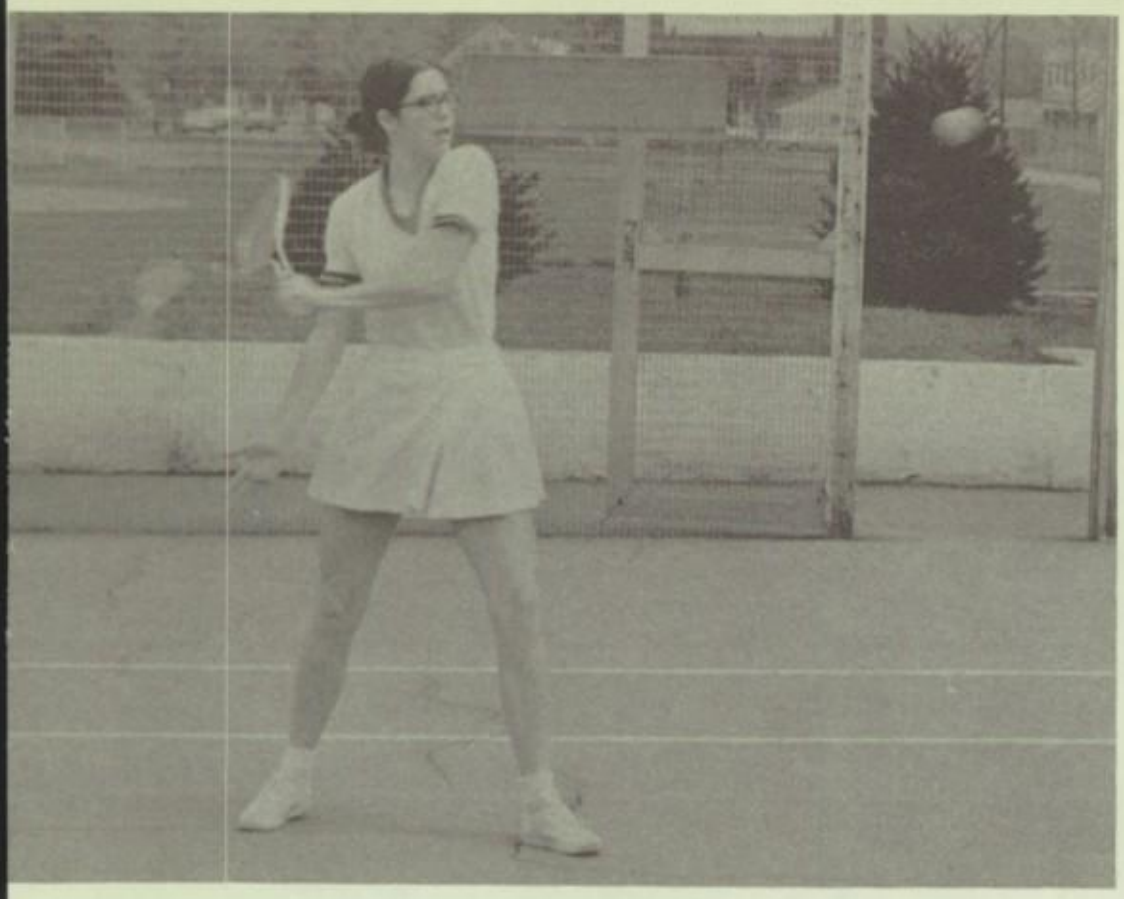
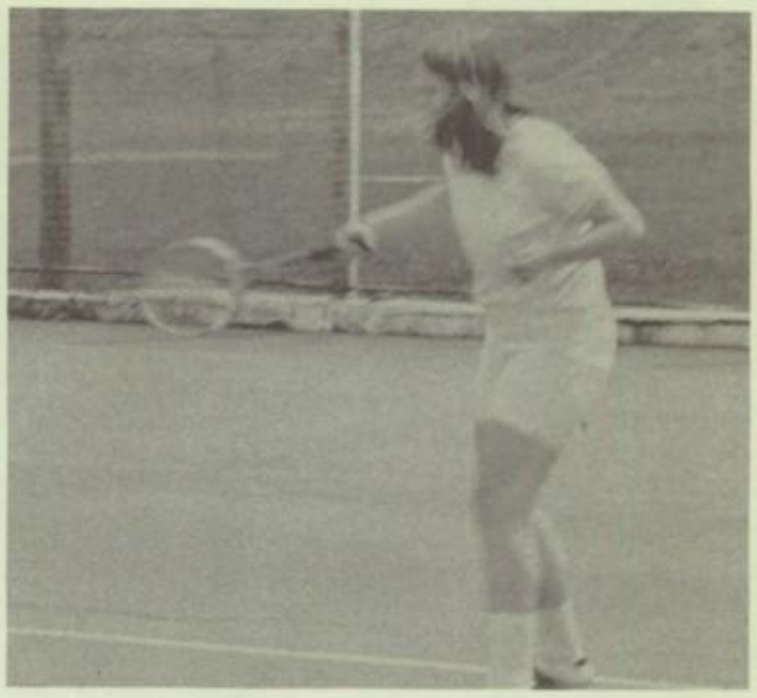
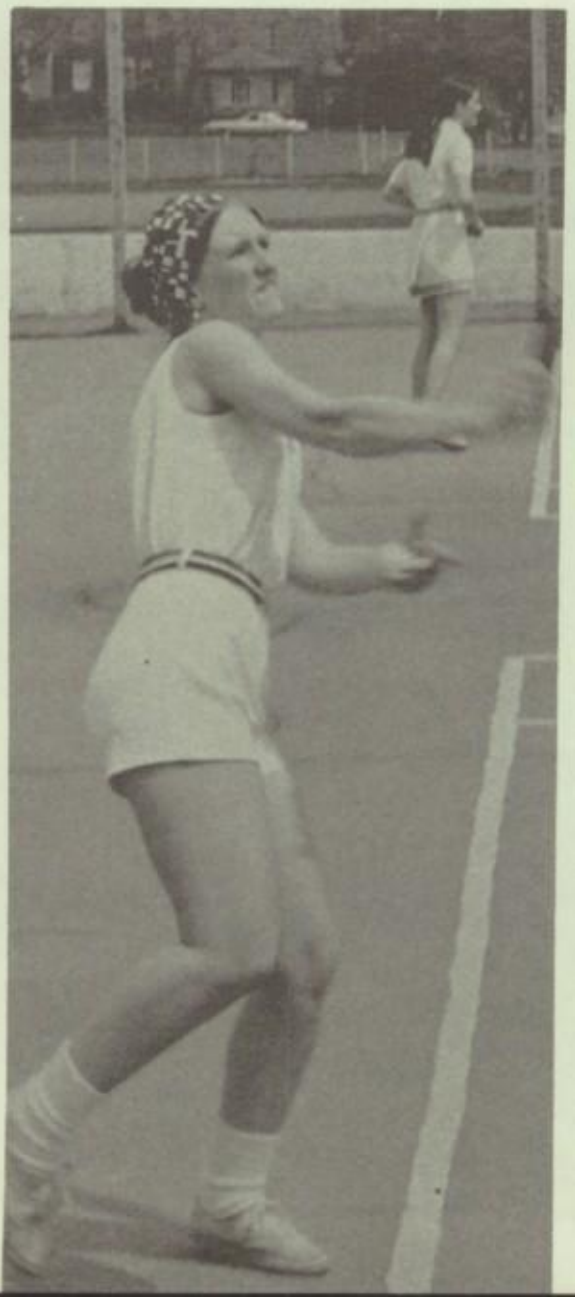
Girls Tennis

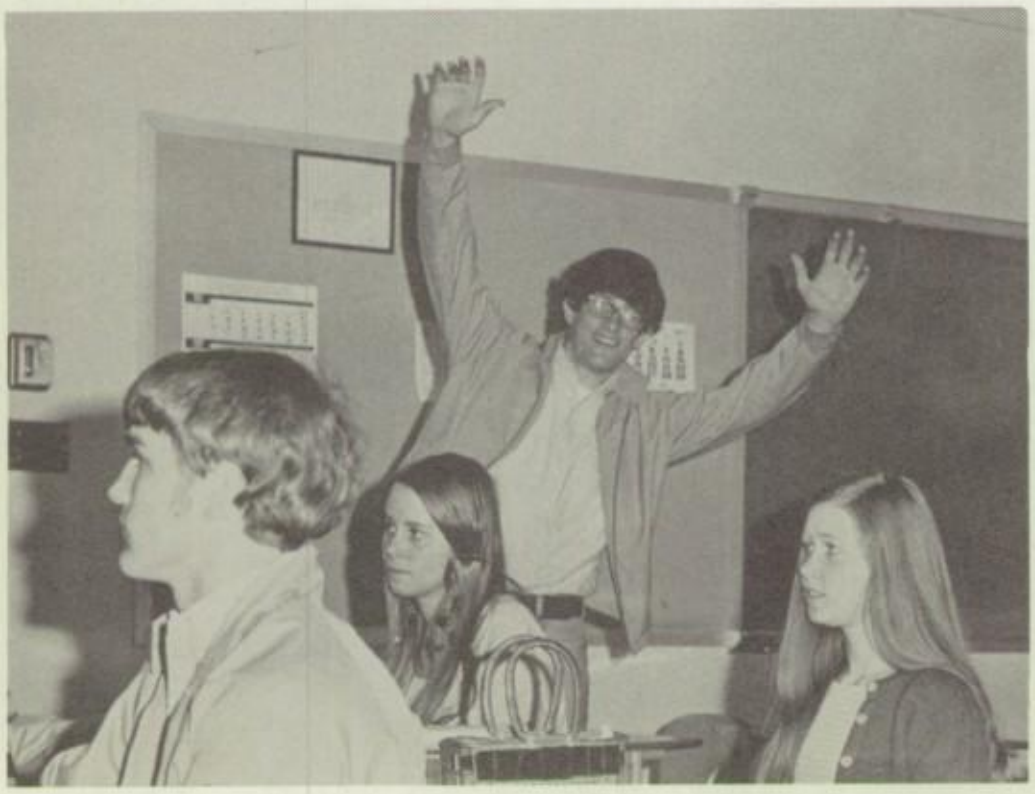




The Girls' Tennis Team was a new experience for Westmont, but the success and enthusiasm this team has shown has proven that tennis deserves to be an interscholastic sport. Next year, Westmont can look forward to this due to hard work and the fine example this year's tennis team has shown.



Student Council



Westmont can never forget the hard work and the accomplishments of the 1970-1971 *Student Council. The energtic leaders of Student Council were: Mark Singel—President, Don Nokes-Vice President, Patti Clites-Secretary/Treasurer, and their unfailing advisor, Mr. McLoota. Among the many changes Student Council has brought about were: changes in the dress code, open-lunch periods, college information cards, student exchange programs with Windber and Johnstown, talent show assembly and a new final exam procedure.*

Student Council should be commended for getting the entire student body involved in formulating school policy and giving Westmont a more pleasant atmosphere in which to learn.

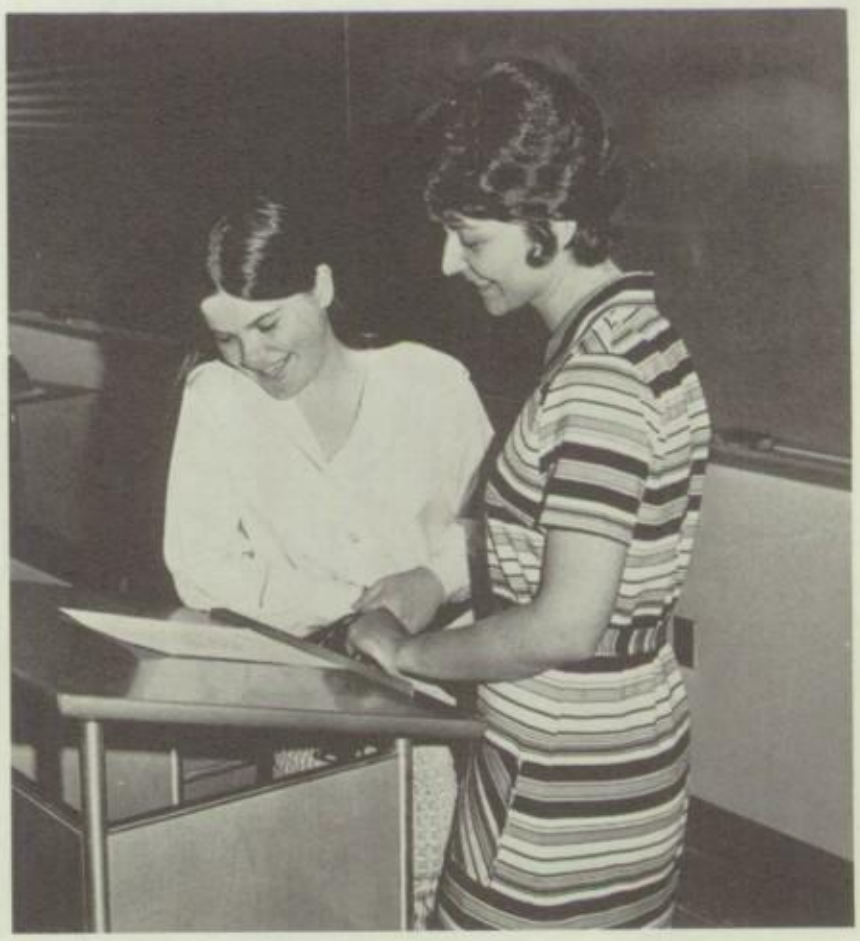
Pep Club

Westy prevails again!



Besides the usual support of athletic events, members of the Pep Club were involved in other school activities. This year the Pep Club aided in the sponsoring of the annual Homecoming by providing the decorating and corsages. Also, the club sponsored a school "Toys for Tot's" campaign to aid unfortunate children at Christmas. As always, the Pep Club enthusiastically supported both the cheerleaders and majorettes in their respective contests. All in all, the club had a busy and successful year.

This year, the Phoenician gives you the basketball team from the eyes of one of its varsity players:

"The season may have seemed disappointing to the onlookers; but to the team it was a tremendous accomplishment. Success was not measured by the 9-13 record, but by the companionship and enjoyment felt by the team members. Also, this season was very ironic. Games were lost that could have been won; and games were won that should have been lost. We, of the team, all agreed that Mr. Balogh was not THE greatest basketball coach in the world, but he was the "ONLY" one we wanted to play for. This season may be remembered as a mediocre one, but not in the memories of the players."

Cheerleaders prepare to host the Cheerleading Contest.

Cheerleaders

In the words of Mrs. Meredith, their advisor, the cheerleaders were "a unique group of girls." This years squad was made up of seven seniors and three juniors. All of the senior members had years of experience prior to this season. Several of them, in fact, had been members of the winning team in 1970. A high point of the year was the hosting of the Annual Cheerleading Contest. For weeks, the cheerleaders and their helpers prepared for the big night; and when it arrived, it was a big success. Following the contest, the girls spent a memorable weekend in New York. After such a successful year, any improvement in the future might be difficult.

Rifle Club

Since 1964, the Rifle Club has been devoted to teaching the proper use and care of the rifle. Along with learning these skills, members strived to improve their marksmanship.

This year's club had a membership of approximately 48 students and 4 advisors. Shown at right with Mr. Burket are the officers: Paul Hornick, president; Terry Stine, treasurer; Norm Krumenacker, vice president; Tim McHugh, range officer; and Peggy Callihan, secretary.

Claycomb's Grapplers

This year under the coaching of Paul Claycomb and the leadership of Captain Mike Dezelon, the Varsity Wrestling Squad compiled an 4-8 record.

Outstanding individual season records along with the Christmas Tournament and Sectionals belong to Captain Dezelon (10-2-1), *Don Overdorff* (11-3-0), *Dave Blythe* (13-2-0), *and Bob "Bo" Reininger* (10-4-1).

Westmont's "run away with" wins consisted of a 39-12 *victory over Penn Cambria, a* 56-3 *stomp over Ferndale, and a* 45-10 *march over Forest Hills.*

The squad was composed of seniors Dezelon, Jerry Griffith, and Chuck Rullman along with eight juniors and one sophomore.

Although finishing fifth in the scholastic competition, the team's determination placed them second in the Sectionals.

This year Westmont was represented by a fine Twirling Corps. The Corps participated in several parades, numerous pep rallies, and the halftime shows of all the football games. They also traveled with the band to the dedication of the new library at UPI, to the War Memorial for the Cheerleading Contest, and performed at a Jet's hockey game. The color guard added a shaker routine to several of the performances. The majorettes, under the leadership of Jill Hockensmith sold pizzas in order to buy new uniforms, which they wore for the first time in the Majorette Contest at the War Memorial. The flag twirlers supported the school's lettering athletes by sponsoring the Varsity W. Dance.

The entire Yodler staff worked very hard all year writing, editing, and censoring articles about happenings around the school. Their efforts were rewarded with seven great issues. This year, the staff experimented with artistic heads, and succeeded in having a different head for every issue of the newspaper. Editor Larry Stem was greatly pleased by the response of students to the Letters to the Editor section, which was better than in previous years.

John Vanyo and Jill Pile were crowned King and Queen of Smiles in the Dental Health Week contest sponsored annually by the Health Careers Club. This activity-which receives the most publicity-is only one of a number of programs the club under the leadership of President Sheila Sweeney, Vice-President Lyne Nenstiel, Secretary Joyce Reed, and Treasurer Cindy Hinton sponsored during the 1970-71 school year.

Each year the club, as a service project, prepares favors for the Senior Citizens' Christmas dinner. This year the club took a field trip to Ebensburg State School and Hospital as one of the programs designed to explore the possibilities of health service related careers.

FTA

Future Teachers of America acted as guides for Open House and passed out floor plans to the parents. To raise money, they held a bake sale and sponsored the Beautiful Legs Contest. Of the pictures of the lower limbs of four men teachers, Mr. Kaufman's won. The students voted by dropping money into the container marked with the number of their favorite. In May FTA got a chance to practice teaching at Goucher and Southmont Elementary Schools.

FHA

Westmont was represented in the County Council by President, Barb Rigo. The chapter won the Red Rose Award for their project and are eligible to compete in the State competition in January, 1972. The girls were very active this year by traveling to the State Farm Show, sponsoring a bake sale, and holding the February Birthday Dance. They also visited the Childrens' Home, the Scalp Level and Lutheran Old Age Homes, and collected for UNICEF, and the Arthritis Fund.

Talent Show

Student Council's talent assembly had many light moments. One of the highlights had to be Vice-President Don Nokes's remark: "We proposed a tap dance but since no Westmont studies drink beer, we thought the tap would be useless."

Baseball

With only three returning lettermen Westmont's baseball team still finished the season with a fairly successful record of 6 wins and 4 losses.

The returning lettermen, Jim Duray in center field, Dave Meehan as catcher, and Tim Ellenberger as pitcher were aided by veteran seniors, Bill Rostosky at first base, Ken Shorts at shortstop, and Rick Smith at third base.

One of the highlights of the season was having Vo-Tech as a new opponent. Also, our team experienced an easy victory when Conemaugh Valley was forced to forfeit their second game due to their teachers' strike. Possibly the best game of the season was Westmont's victory over their arch rival Johnstown by a score of 10 to 6.

Track and Field

Westmont's track and field team, under new coach Mr. Stramanak and veteran Mr. Lantz, turned the corner during the 1971 season. The change in attitude of the team members was obvious to even the casual observer. As a result the future looks much brighter for the cindermen.

Even though the scores were not impressive, the team showed steady improvement as the season progressed. Team victories require depth in the various events and this year's team exhibited this to a greater degree than other teams of recent years. A further bright spot was the emergence of underclassmen as point-getters. Next year's team should benefit greatly from this talent and experience.

At the District VI meet, three of Westmont's track and field men, senior Don Oakley, junior Don Nokes, and sophomore Don Cowie qualified for participation in the PIAA State Class B Track and Field Meet at Penn State.

Thus Westmont can boast of three boys who rank among the twenty-four best in the state in the shot put, two mile run and ½ mile.

Gym Club

The purpose of Gym Club is to provide time when interested students may participate in gymnastic activities. This year, many students enjoyed use of the apparatus such as the horse, parallel bars, spring board, and trampoline. Students who needed assistance were able to obtain assistance by the advising gym teachers.

Tennis

The tennis team had a disappointing record this year of 0-5. The team, which included P. Robinson, A. Stern, L. Brown, K. Kunkle, A. Aronoff, and Captain B. Rosenbloom, found themselves outmatched in 5 out of 5 matches. Although putting forth an honest effort, they didn't make the grade. Better luck next year.

Contestants for the 1970 Homecoming Queen.

Arthur Steele, veteran mathematics teacher at Westmont Hilltop, retired at the close of the 1970-71 school year. Mr. Steele's thirty-nine year career spanned five decades of great educational change—a difficult time to teach. Through it all—Great Depression, World War II, Sputnik, Vietnam—Mr. Steele continued to make his contribution to the betterment of mankind.

For this selfless dedication we take this opportunity to express our gratitude.

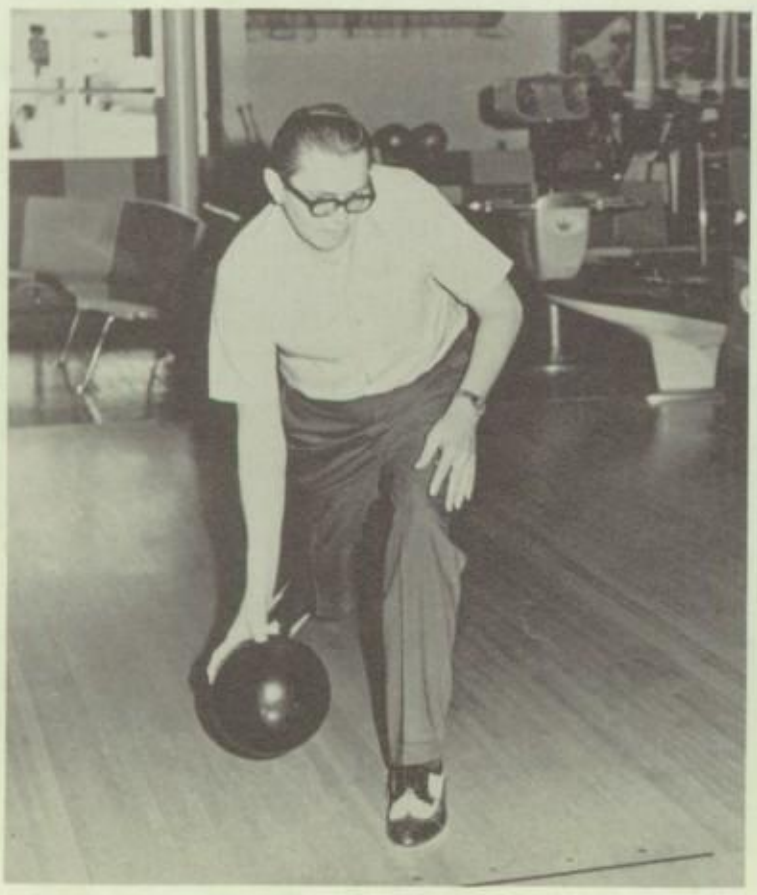
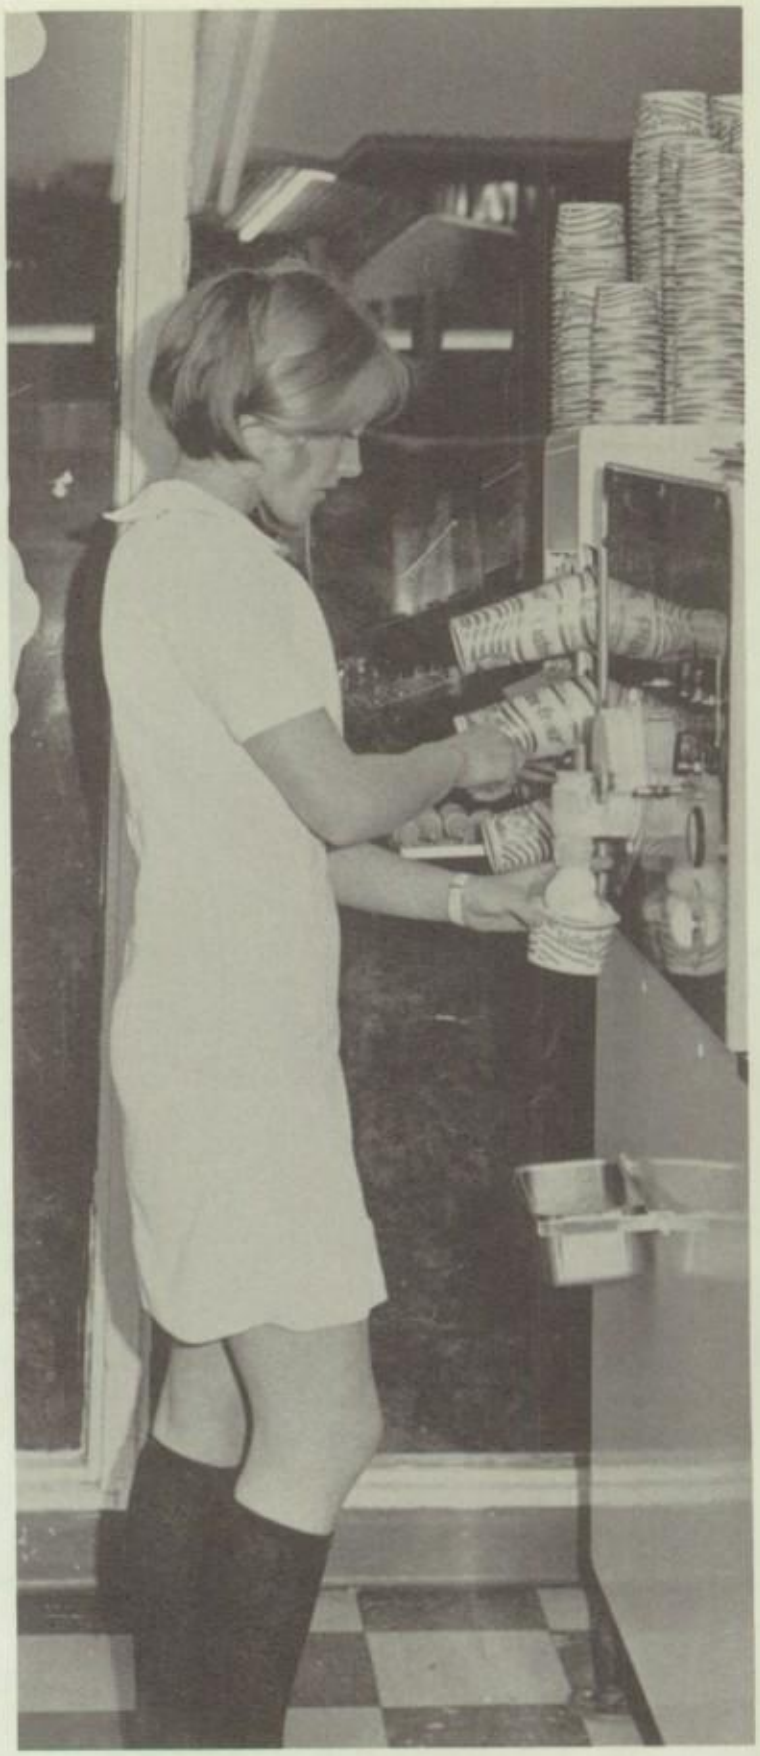
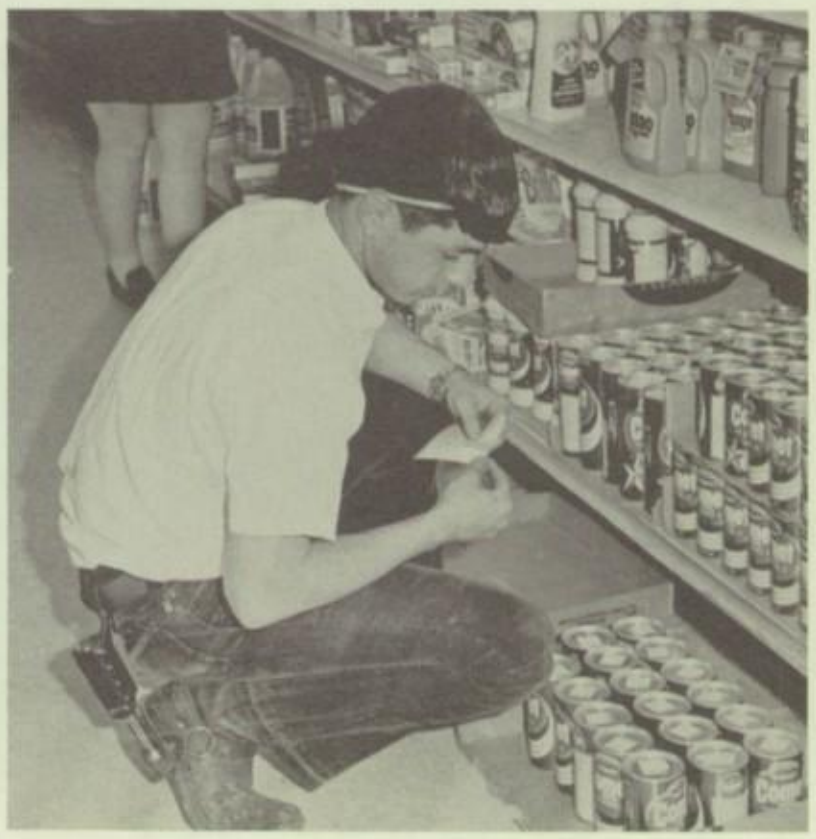
38-24-36??

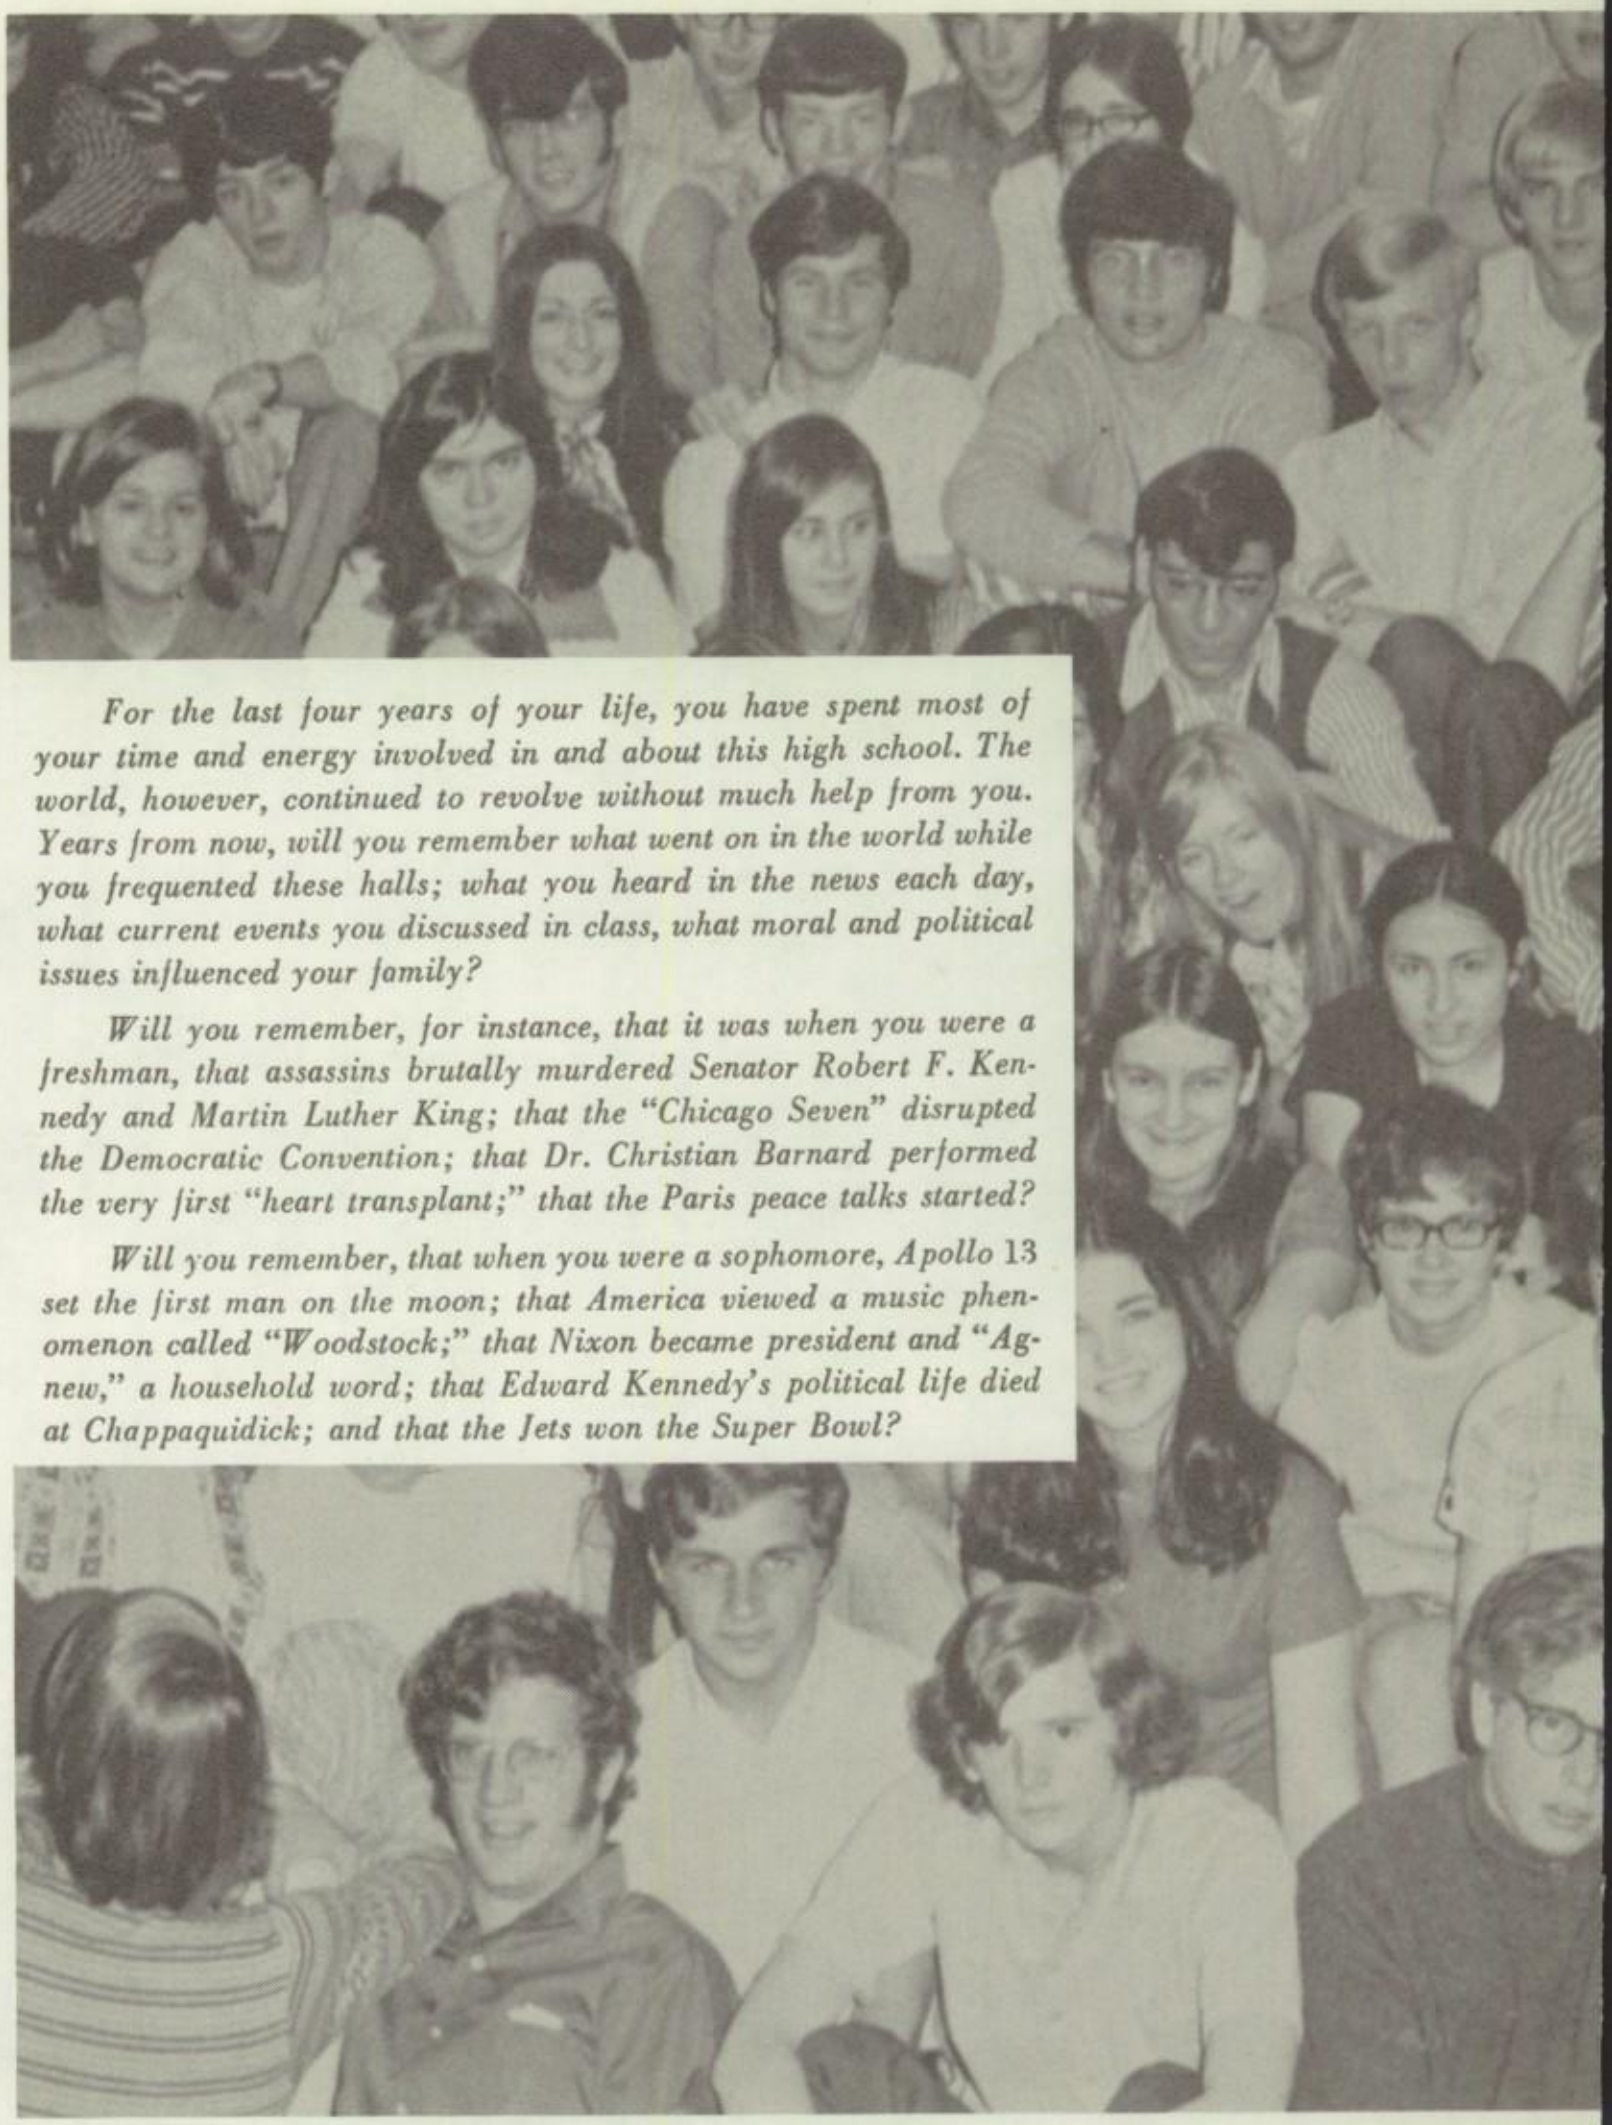


Hi! I'm Glenn; Welcome to the Goodtime Hour.



"Lazy Days"





For the last four years of your life, you have spent most of your time and energy involved in and about this high school. The world, however, continued to revolve without much help from you. Years from now, will you remember what went on in the world while you frequented these halls; what you heard in the news each day, what current events you discussed in class, what moral and political issues influenced your family?

Will you remember, for instance, that it was when you were a freshman, that assassins brutally murdered Senator Robert F. Kennedy and Martin Luther King; that the "Chicago Seven" disrupted the Democratic Convention; that Dr. Christian Barnard performed the very first "heart transplant;" that the Paris peace talks started?

Will you remember, that when you were a sophomore, Apollo 13 *set the first man on the moon; that America viewed a music phenomenon called "Woodstock;" that Nixon became president and "Agnew," a household word; that Edward Kennedy's political life died at Chappaquidick; and that the Jets won the Super Bowl?*

Will you remember, that when you were a junior, that four students were killed at Kent State, that abortion became legal in many states, that an incident at a Vietnam village called My Lai 4 caused national controversy, that "ecology" became a national password, and that the Mets won the Series?

And finally, will you remember, that when you were a senior, spending your last days in school that 18-year-olds were given the national vote; that Lt. Cally was tried for the deaths of 22 Vietnamese; that a political group called Black Panthers wrought havoc with the police; that May Day brought a nationwide peace movement?

WILL YOU REMEMBER?

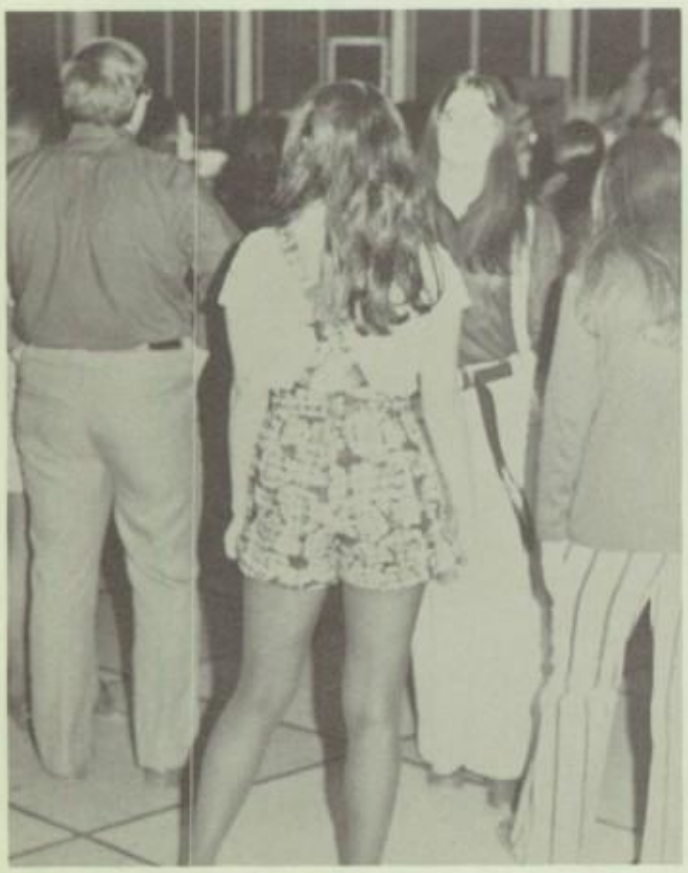
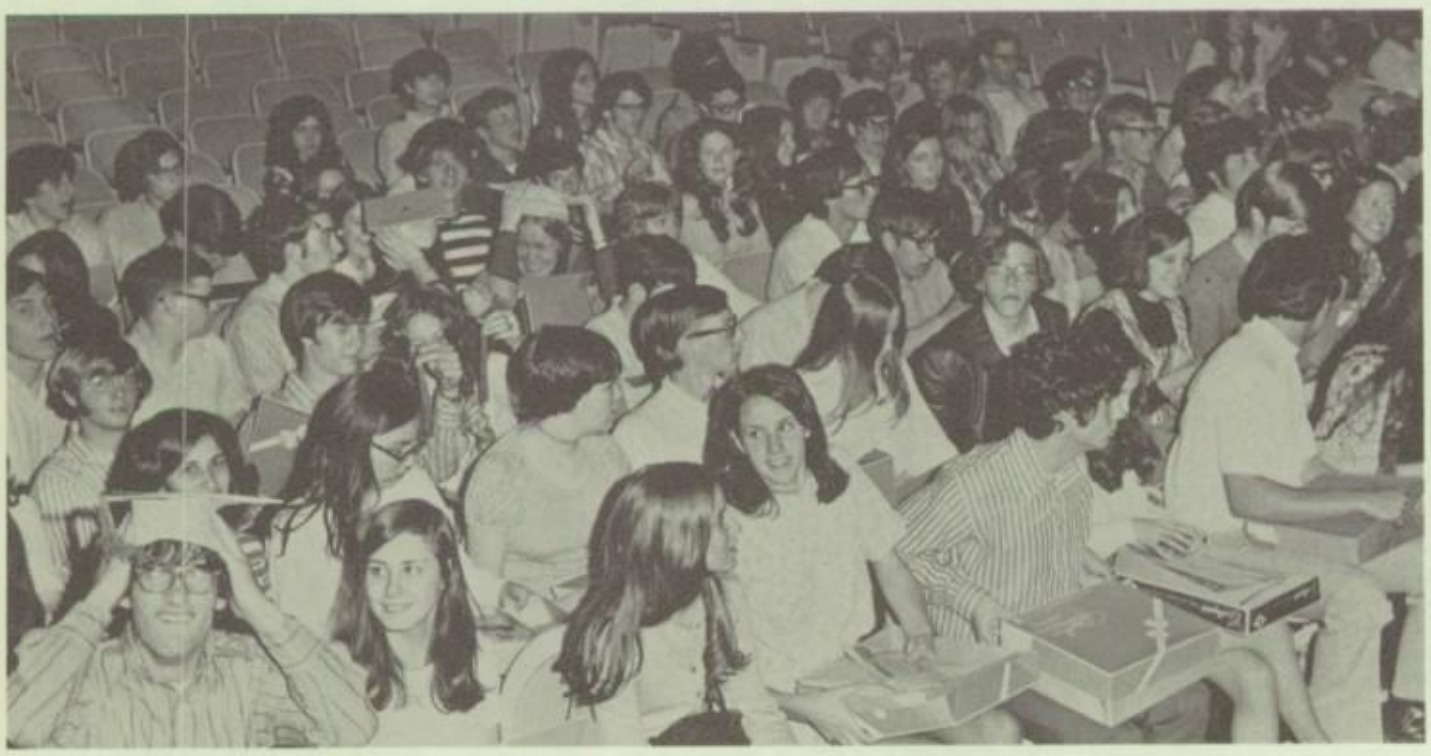
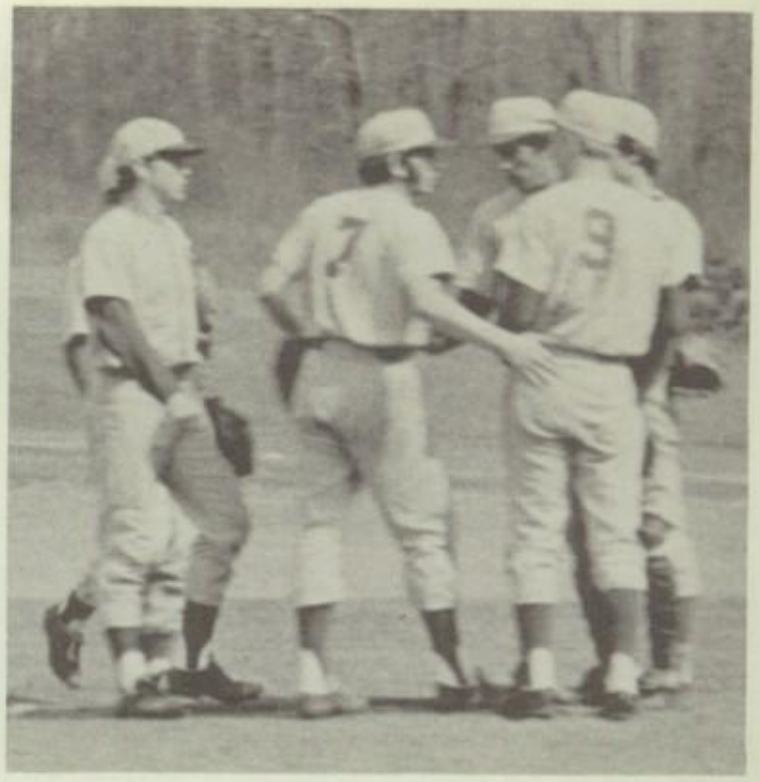
We Remember:







May the road rise to meet you,
May the wind be always at your back
May the sun shine warm upon your face,
the rains fall soft upon the fields,
and, until we meet again,
May God hold you in the palm of His hand.
